Feel KOBE +
 Discovering the Joy of Kobe

Workshop

Hands-on Workshop registration has been closed.

TT2019 Workshop

TT2019 Hands-on Workshop will be held after the TT2019 Meeting organized by Dr. Hiroshi Kiyonari of RIKEN Center for Biosystems Dynamics Research (BDR) in Kobe.

The course will touch upon a range of important, advancing techniques in animal transgenesis. The main topics will include;

Mouse

- ▶ Embryo/sperm freezing and thawing (Dr. Takeo, CARD, Kumamoto University)
- ▶ Zygote electroporation, including GONAD (Dr. Ohtsuka, Tokai University)
- ▶ Manipulation of ova (pre- and post-fertilization) (Dr. Kyogoku, Dr. Kiyonari, RIKEN BDR)

Manipulation of non-mammalian zygotes

- ▶ Microinjection of Xenopus embryos (Dr. Inomata, RIKEN)
- ▶ Microinjection of zebrafish embryos (Dr. Phng, RIKEN)

The workshop will be structured as a combination of didactic lectures and demonstrations, as well as hands-on breakout sessions. Please refer to the time table for a tentative schedule.

Time Table

Please note that the number of participants is capped to 15. Registrations will be accepted in a first-received-first-served basis, and will be closed when the maximum capacity is reached.

We look forward to participation of many engaging colleagues to this unique and exciting opportunity.

Registration for TT2019 Workshop

Date : Thursday, April 11– Saturday, April 13, 2019
 Location : RIKEN Center for Biosystems Dynamics Research (BDR)
 2-2-3 Minatojima-minamimachi, Chuo-ku, Kobe
 650-0047, Japan

Participation fee: JPY33,000 (Approximately USD300.00/EUR260.00)

*Fees are in Japanese Yen with approximations to US\$ and €.

Above fees include;

- ▶ Attendance to all the sessions of the Hands-on Workshop
- ▶ Lunch (Thursday, April 11 and Friday, April 12, 2019)
- ▶ Refreshments at Breaks
- ▶ Mixer on Friday, April 12, 2019

Notes

- ▶ Please arrange your accommodation by yourself.
- ▶ This Workshop is offered exclusively to TT2019 participants, and registration for TT2019 is considered to be a prerequisite for confirmation of a slot in the Workshop. The number of participants is capped to 15. Registrations will be accepted in a first-received-first-served basis, and will be closed when the maximum capacity is reached.
- ▶ In the application form, please briefly describe your past experience in animal transgenesis and related technologies to help the instructors gauge the range of experiences of the participants (max 200 words).
- ▶ Please apply for TT2019 Hands-on Workshop by logging-in to your "My page" of the TT2019 Registration Site.

My page

Payment Procedure
